300 Men and Boys

In this county will buy Suits before Christmas. And we propose to furnish them. Why? Because we have made arrangements with the manufacturers to furnish us these goods and have paid for them. They were bought at PANIC prices and they are going at CUT CASH rates. We CAN and WILL sell a fine Suit cheaper than it can be bought in the cities. MARK this and come at once. If you want a medium Suit we have it, and if you want a cheap Suit we propose to give a better Suit for a cheap price than can be bought anywhere else.
This is a specialty. Come to see us.
Our stock of Ladies Cloaks and Wraps

has been the marvel of the country. It will pay a lady desiring to purchase one of these to come to see our line.

We have stocked up in CATE'S celebrated Jeans, Flannels, Yarns, &c., and these goods have a big reputation.

As to SHOES, our lines are immense in all styles.

Finally, we will say that we can only mention these specialties, but our general stock is complete, and we propose to say that we intend to keep up our reputation for selling GOOD goods at cheaper rates than any place in this Green River Country. Our terms are CASH or good country Produce. Farmers wanting winter supplies can trade us wheat, corn, hay or pork. Special attention paid to mail orders.
